BENT BRANDT DECLARATION OF COMPLIANCE
SUPPLIER
METALS AND ALLOYS, INTENDED TO COME INTO CONTACT WITH FOOD

1. Identity of the material, item or product

Material/item/product number, Bent Brandt	
Material/item/product number, manufacturer	70-18-010
Product name	Magnetic core temperature probe
Use	Temperature measurement in Hold-o-mat food holding equipment

2. Identity of the manufacturer

Firm name	GIGATHERM AG
Address	Schaendrichstrasse 7, 9230 Flawil, Switzerland
Contact person	Robert Wonneberger
Contact data	wonneberger@gigatherm.ch | Tel +41 71 898 04 50

BENT BRANDT DECLARATION OF COMPLIANCE
SUPPLIER
METALS AND ALLOYS, INTENDED TO COME INTO CONTACT WITH FOOD

3. Declaration of compliance

It is guaranteed that the material, item or product complies with article 3 in the Framework Regulation 1935/2004/EC on condition that the product is used as specified by the manufacturer in 1 and 3

General legislation

- Framework regulation 1935/2004/EC of 27 October 2004 on materials and articles intended to come into contact with food.
- Commission regulation (EC) 2023/2006 of 22 December 2006 on good manufacturing practice for materials and articles intended to come into contact with food.

Specific legislation for the material

- Technical guide: Euro Inox: Metals and alloys used in food contact materials and articles.
- European Parliament and Council Directive 94/62/EC of 20 December 1994 on packaging and packaging waste
- Metals and alloys used in food contact materials and articles. EDQM and Council of Europe 2013

Limitations

Are there any limitations using the material/object which makes the material/object unsafe for food contact? Please note in the following schedule.

None.

Documentation

The material /item is tested according to the above rules/guidelines. Please note which test has been made in the following schedule.

Test	Laboratory	Date

Copies of all documentation(s) of compliance is required, attached or shall be available on demand according to the Framework regulation, article 16, 1.

Declaration validity:

The undersigned is obliged to inform Bent Brandt of any new knowledge that affects the use and/or modifies the composition of the material/object which requires new documentation.

The Bent Brandt Declaration of compliance has been read, completed and signed.

Date:	28.05.2026
Name:	Robert Wonneberger
Signature/stamp	R. Wonneberger
