Stand with feet model 2-XS

Article number

60.31.221

Description

The iVario can be installed directly onto the appropriate stand. In this way, you benefit from the integrated pull-out shelves. Containers can be placed on these to safely empty the pan. There are also two times three support rails to store GN containers and accessories.

The recesses for installation inlets and drains mean the stand can be placed flush with the wall.

Side walls and top closed, rear side open.
