Arm for automatic raising/lowering model L

Article number

60.75.909

Description

AutoLift, the automatic raising and lowering mechanism, guarantees you perfect cooking of pasta, deep-fried, poached or boiled products and raises the products from the pan at the desired time.

The arm for the automatic raising and lowering mechanism is attached to the lid and up to two large baskets can be mounted. This allows you to effortlessly remove your product after cooking.

Intended use

This product is only intended for commercial use, such as in restaurant kitchens or catering operations for schools, hospitals, or delis. Any other use runs counter to its intended purpose, and could be dangerous. Any other use runs counter to its intended purpose, and could be dangerous.
