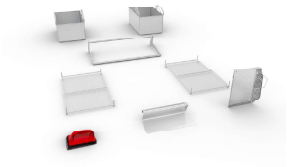
Datasheets

Accessories pack model L



Article number

87.00.743

Description

The accessories pack includes the most important accessories you will need to start using the iVario.

You can use the accessories for the automatic raising and lowering mechanism to boil pasta or deep-fry chips, for instance.

Among other things, the colander can be used to strain soups.

The pan base rack allows low temperature cooking.

The cleaning sponge allows you to clean the pan quickly and effectively.

Intended use

This product is only intended for commercial use, such as in restaurant kitchens or catering operations for schools, hospitals, or delis. Any other use runs counter to its intended purpose, and could be dangerous. Any other use runs counter to its intended purpose, and could be dangerous.
