Top Mounting Bun Dresser

Product # 511

The Prince Castle 511 Butter Wheel is the perfect solution to your buttering needs. This labor saving device allows the operator to spread butter on buns or other bread products prior to toasting. The all stainless steel unit is completely submersible in soap and water for easy cleaning.

Attach the 511 to a 297 Prince Castle Toaster for optimal toasting.

Product Features

- An exclusive perforated roller reduces waste of expensive butter or dressing
- Ensures proper amount of butter is dispensed every time
- Stainless steel construction
- Ensures safe and sanitary food
