Explore an intuitive interface and functionality with dedicated black and white icons for your favourite drinks.

EASY MAINTENANCE SYSTEM

Frontal access for easy maintenance.
Stainless steel, dishwasher-safe cup tray.

TRADITIONAL MILK FROTHER

To easily prepare a creamy milk foam for your favourite milk drinks or make hot water for tea or infusions.

Magnifica Start embodies De'Longhi experience, know-how and technology to always offer the best result in cup, from bean to cup.

Specifically designed for entry level consumers to the automatic coffee machine world, looking for a one-touch experience.

The new De'Longhi bean to cup coffee machine satisfies every coffee taste with a user-friendly interface and a customized selection of drinks, delivered with just "one touch".

Enjoy easy interaction thanks to black and white icons for direct one-touch drinks, displayed in the control panel.
